Foundation Executive Director
Dear Parkland College Supporter:

This past fiscal year was an active and rewarding period for the Parkland College Foundation, thanks to your support:

- Seven new scholarships and endowments were created in fiscal year 2007.
- An open house and ribbon cutting was held for the Prairie Gardens Plant Laboratory adjacent to the Tony Noel Agricultural Technology Applications Center.
- The Foundation awarded 241 scholarships to 207 students for a total of $182,761.
- The Perimeter Drive on Parkland’s campus was dedicated and renamed the William W. Froom Way.

Thanks to our cochairs of the Partners for Parkland Annual Campaign, Joseph and Barbara Henderson, who, along with honorary cochair Champaign Mayor Jerry Schweighart and his wife Kim and the support of a loyal volunteer base, assisted us with this 10th annual campaign.

I am inspired by the generosity and volunteerism that individuals in our communities have demonstrated to keep Parkland College a top-ranked community college in the state and nation. Through your combined efforts, Parkland College is a vital part of life here in east central Illinois.

Thank you for being a part of these amazing accomplishments!

Sincerely,

Donald C. Dodds, Jr.
President, Foundation Board of Directors

“It is a great thing when a stranger is willing to help another. I would like to thank you for your generous act of giving. I will keep your humble example with me and remember to live out the same generosity in my own life. Whether it is through financial support or volunteering, I will help another as you have helped me.”

“Education today has become incredibly expensive. To follow your heart and study something that you love is certainly a luxury. I know I could not afford this luxury without aid such as your scholarship…having support and recognition have fueled my discipline in many ways.”
